ABOUT US

For more than 30 years Premiere have designed and manufactured kitchens from our main facility in Gloucestershire. We supply kitchens to housing developers and housing providers, whether their requirement is to furnish new properties or refurbish existing ones.

Premiere is one of the leading companies of its kind in the UK. Our success is based on delivering cost effective, quality, design-led solutions tailored to suit our customers' specific needs. We survey properties, produce detailed designs, manufacture kitchens in-house and deliver with our own fleet of lorries direct to you.

Ascot Carcass Options

*Cashmere, Dust Grey
or Oak*

Exquisitely crafted curved units and worktops create a perfect balance between the bold and the beautiful.

FEATURES

The Ascot kitchen provides a twist on the traditional Shaker style, with six colour options to create a truly personalised space. Mixing a contemporary and classic style, the graphite colour option provides impact in a country home or townhouse. Shown here with natural

stone worktops and under-mounted sink, large pantry units and curved cabinets to eliminate corners, creating a truly comfortable space. Additional items to complement this range include oak cutlery trays, and cup or knob handles.

Wentworth Carcass Options

*Cashmere, Dust Grey
or Oak*

The Wentworth kitchen has been created in a traditional and elegant Shaker design; soft satin tones have been selected to create a relaxed space in harmony with the rest of the home.

FEATURES

The design creates a traditional yet modern feel, equally comfortable in a town or country setting, and is available in six colours.

Shown here in complementary lacquered

door colours, with natural stone and wood worktops, Belfast sink, pantry cabinets and wicker basket unit. A range of accessories are available including solid oak cutlery trays and plate organisers.
